DAY 2: Lima – City Tour

This morning after breakfast, you'll head off on a guided city tour of Lima, starting with Huaca Pucllana – an impressive ancient archaeological site right in the heart of the popular Miraflores district. This sacred site was once a major ceremonial and administrative centre for the Lima culture, dating back between 200 and 700 AD. Built with seven staggered platforms, and surrounded by a large plaza and walls, it's a fascinating place you might not expect to find in busy Miraflores!

After exploring Huaca Pucllana with your bilingual guide, you'll continue to Lima's historic centre – a UNESCO World Heritage-listed area. You'll visit the beautiful Plaza de Armas, Lima's main square, which is surrounded by grand colonial and republican-era buildings. Some of Peru's most important landmarks are here, including the Government Palace, the Cathedral of Lima, the Archbishop's Palace, the Municipal Palace, and the Palace of the Union.

Next, you'll visit the Cathedral of Lima, completed in 1649. It's a massive structure with a central nave, 14 side chapels, and stunning artwork. You'll also see the tomb of Spanish conquistador Francisco Pizarro inside.

From there, it's just a short walk to the Convent of Santo Domingo (entry included). One of Peru's most significant religious buildings, it was completed in 1766 and features a striking bell tower. Inside, you'll admire colourful ceramic tiles from the early 1600s and a collection of paintings depicting the life of Saint Dominic, founder of the Dominican Order. After your tour, you'll return to your hotel. The tour takes about 5 hours in total.

DAY 3: Lima ~ Puerto Maldonado ~ Posada Amazonas

After breakfast, you'll be transferred from your hotel to the airport (about a 1-hour drive) for your flight to Puerto Maldonado – the gateway to the Amazon.

When you arrive, a local team member will meet you at the airport and take you on a short 10-minute drive to the lodge's headquarters. If you have luggage, you won't need for the next few days, you can safely store it here – this helps keep the boats light for your journey into the jungle.

Next, we'll drive to the Tambopata River Port, passing through the native community of Infierno. From there, you'll enjoy a scenic 45-minute boat ride to Posada Amazonas, located in the community's primary forest reserve. On arrival at the lodge, the manager will welcome you and give a short briefing with navigation and safety tips.

After lunch and some time to settle in, we'll head out on a 20-minute walk to the canopy tower, which stands 30 metres high. From the top platforms, you'll be treated to sweeping views of the rainforest and the winding Tambopata River. Keep an eye out for toucans, parrots, macaws, and plenty of other birdlife in the treetops!

Back at the lodge, you'll enjoy a delicious dinner followed by an evening presentation about the Infierno ecotourism project, led by a local guide.

MEALS: Breakfast, Lunch, Dinner

OVERNIGHT (3 STAR OPTION): Posada Amazonas, Amazon

OVERNIGHT (4 STAR OPTION): Posada Amazonas, Amazon

DAY 4: Posada Amazonas - Amazon Exploration

After breakfast, you'll head off on an exciting adventure to the Three Chimbadas oxbow lake. First, you'll enjoy a 30-minute boat ride along the river, followed by a scenic 45-minute walk through the rainforest. Once you reach the lake, you'll hop aboard a catamaran to quietly paddle across the calm waters as you search for wildlife.

With a bit of luck, you might spot the resident family of nine giant river otters that live here. While sightings can't be guaranteed, around 60% of visitors do see these playful animals. You'll also likely spot other Amazon creatures such as caimans, hoatzins, and horned screamers.

Afterwards, you'll take a 20-minute boat ride downriver to a special trail created by the Centro Ñape – a local community group that uses traditional knowledge to make natural medicines from forest plants. As you walk the trail, your local guide will explain the different plants and their uses in healing and medicine.

Later in the evening, you'll head out on a guided night walk. While some animals are harder to see after dark, others – like frogs – are much easier to spot. Plus, the sounds of the jungle at night are something you'll never forget, making this a truly magical experience.

DAY 5: Posada Amazonas ~ Puerto Maldonado ~ Sacred Valley

After breakfast, it's time to say goodbye to the Amazon. You'll travel by boat back to the Tambopata River Port and continue by road into Puerto Maldonado. Once we arrive in town, you'll be taken to the airport for your flight to Cusco.

When you land in Cusco, your cultural adventure begins. You'll be met at the airport and driven out to the Ccaccacollo Community in the Sacred Valley. This small village is home to around 50 families, where the main ways of life are farming and traditional weaving.

When we arrive, you'll be welcomed by some of the local residents. The men of the village mostly work the land, while the women continue the ancient weaving techniques passed down through generations. Ccaccacollo is known for producing some of the most beautiful textiles in Peru.

You'll attend a short talk and watch a hands-on demonstration where the local women will show you how they turn raw wool into vibrant fabrics – starting with shearing the wool, then spinning it, washing it with natural soaps, and dyeing it with colourful plants and flowers. One of the Quechua-speaking weavers will (with help from a translator) explain the meaning behind their traditional patterns and symbols.

If you'd like, you can even try your hand at weaving a small item like a blanket, poncho, or hat! After the weaving experience, you'll have some free time to explore the community, meet more locals, and see what life is like in the Sacred Valley. You'll also have the chance to purchase some of their handmade textiles – a great way to support the community directly.

Later in the day, we'll say farewell to the community and return to the Sacred Valley, where you'll be dropped off at your hotel. You'll have the evening to relax and enjoy at your own pace.

MEALS: Breakfast

OVERNIGHT (3 STAR OPTION): Hotel Agustos Urubamba, Sacred Valley

OVERNIGHT (4 STAR OPTION): San Augustin Monasterio de la Recoleta, Sacred Valley

DAY 6: Sacred Valley ~ Huilloc Village ~ Ollantaytambo ~ Aguas Calientes

After breakfast, we'll pick you up from your hotel and drive about an hour to Huilloc, a small traditional village in the Andes. When you arrive, you'll be welcomed by friendly locals dressed in colourful clothes. You'll learn how they keep their language and culture alive.

This is a hands-on cultural experience, so you can join in daily activities like farming, weaving, or learning about their traditions. You'll also enjoy a homemade Andean lunch with one of the local families.

Huilloc is famous for its weaving, and you'll see how women in the village teach their daughters and granddaughters to make beautiful textiles using old techniques. You can watch a demonstration, try weaving yourself, and even buy something to take home and support the community.

Later, we'll drive to Ollantaytambo, where you'll explore the amazing Inca ruins. You'll visit the Temple of the Sun, see massive stone blocks carved perfectly by hand, and learn about the Inca water system and farming terraces. The town below still uses the Inca water channels, and many people wear traditional dress.

From there, we'll head to the train station for your scenic train ride to Aguas Calientes, the town at the base of Machu Picchu. The ride takes about 2 hours and passes through beautiful valleys and rivers.

When you arrive, you'll have time to relax, visit the hot springs, or wander through the local markets. We'll get you checked in to your hotel and ready for your visit to Machu Picchu the next day.

MEALS: Breakfast, Lunch

OVERNIGHT (3 STAR OPTION): Inti Punku Machu Picchu Hotel, Aguas Calientes

DAY 8: Cusco - City Tour

This morning after breakfast, you'll set off on a guided tour of Cusco, the former capital of the Inca Empire.

First up is Koricancha, once the most sacred temple of the Incas. It stood beside the Santo Domingo Church and was said to have walls covered in gold, with golden statues of animals and plants inside. Although the Spanish stripped away the gold, the temple itself is still an amazing place to explore. Your guide will help you spot details you might otherwise miss, giving you a real insight into its historical and cultural importance.

Next, you'll visit Cusco Cathedral on the Plaza de Armas. Built between 1560 and 1654 on top of an old Inca temple, it's a stunning mix of Spanish and Inca architecture. Inside, you'll see artworks by the famous Cusco School of painting, as well as altars and pulpits decorated with gold and silver. Look closely and you'll even notice Inca symbols hidden in the designs – like a jaguar's head carved into the doors.

From there, you'll head up to Sacsayhuaman, a huge Inca fortress overlooking the city. The stonework here is some of the best you'll see, with giant stones fitted so perfectly together that no mortar was needed. You'll also enjoy fantastic views over Cusco from the top.

Your final stop is Tambomachay, a smaller archaeological site thought to have been an Inca spa. Here, you'll see a clever system of aqueducts, canals, and waterfalls built into the terraced rock – a great example of Inca engineering.

After visiting Tambomachay, we'll return to Cusco and drop you off at your hotel, where you can enjoy the rest of the afternoon at your leisure.

MEALS: Breakfast

OVERNIGHT (3 STAR OPTION): Prisma Hotel, Cusco

OVERNIGHT (4 STAR OPTION): Costa del Sol Ramada, Cusco

DAY 9: Cusco ~ Puno

After an early breakfast, you'll be picked up from your hotel at 6:30am and taken to the bus station for your scenic journey from Cusco to Puno. This is no ordinary bus ride – it's a full-day guided tour with several exciting stops along the way, giving you a deeper look into Peru's culture and history.

The highlights of the journey include:

- **Andahuaylillas**
 - Often called the Sistine Chapel of South America, this stunning church is one of the best examples of Andean religious art.
- **Raqchi (Temple of Wiracocha)**
 - This huge Inca temple is over 100 metres long and nearly 14 metres high, supported by rows of large stone columns.
- **La Raya Pass**

- **Pukara**
 - The oldest and most important ceremonial centre in the Altiplano region. You'll see ancient sculptures and burial sites that tell stories of early Andean civilisation.

You'll arrive in Puno at around 5:00pm, where you'll be taken to your hotel to check in and relax for the evening.

After breakfast, we'll pick you up from your hotel in Puno around 7:00am and take you down to the port. From there, you'll hop on a comfortable motorboat for a full-day adventure on Lake Titicaca.

Your first stop is the beautiful Taquile Island, one of the most scenic places in Peru. Life here moves at a slower pace, and the locals proudly continue their traditional way of life. You'll meet the talented weavers of Taquile, known across Peru for their incredible textiles. Interestingly, on this island, men do the weaving while women spin the yarn – a tradition passed down for generations. You'll have time to explore the island and learn about their unique culture.

Around midday, you'll head to a small port on Taquile and continue by boat to the Chucuito Peninsula, located in the Aymara region of the lake. Here you'll visit the quiet rural village of Luquina, where you'll enjoy a tasty buffet lunch at a local fisherman's home – a lovely way to experience genuine hospitality. In the afternoon, we'll stop at the famous Floating Islands of the Uros. These unique islands are built entirely from Totora reeds, which grow naturally in the lake. The Uros people originally created the floating islands so they could move away from danger if needed.

Today, they continue to live on these man-made islands, constantly adding fresh reeds to replace the old ones.

Walking on the floating islands is an unforgettable experience – the ground feels soft and springy under your feet. You'll explore the main island, learn how the islands are built, and visit local homes to see how the Uros people live.

After your visit, we'll return to Puno and drop you back at your hotel to relax for the evening.

As we continue, we'll reach the Toca high plain, sitting at over 4,500 metres above sea level. This area is home to migrating birds and herds of llamas and guanacos – great for photo opportunities.

The highest point of the journey is Pata Pampa, located at 4,820 metres, where you'll have spectacular views of snow-capped volcanoes, including Ampato, Sabancaya, Hualca-Hualca, and Mismi (the source of the Amazon River). You'll also see the Chila mountain range.

From there, we'll descend into Chivay, where the Colca Valley begins. This area is known for its incredible ancient agricultural terraces, still used today. Chivay itself is a charming town with Spanish colonial influences – seen in its church and buildings. You'll have time for lunch at a local restaurant (not included), before we check in to your hotel.

The afternoon is free for you to relax or explore the town. If you're up for it, you can visit the La Calera hot springs, just 3 km away. These natural hot pools are heated by the area's volcanic activity and are said to have healing properties, with temperatures around 38°C. It's a great way to unwind after a day of travel.
